

## **TENDER NOTICE**

Oxfam GB is a British non-governmental organization, which works with others to overcome poverty and suffering in more than 80 countries.

Our organization was established in Oxford, Great Britain in 1942. In Latin America and the Caribbean region we have worked in 10 countries for 40 years, and our Regional Centre is located in Mexico City, Mexico.

Oxfam GB is seeking a consultant to carry out a 6 months feasibility study on the use of social intermediary enterprise as a viable way of linking vulnerable groups to market in a sustainable way. Oxfam GB and its partners are interested in exploring this approach as a way of supporting and strengthening market access in Jamaica through a comprehensive study of the market situation on the viability of a Social Intermediary in the Jamaican context. Please email [CFrancis@oxfam.org.uk](mailto:CFrancis@oxfam.org.uk) for full Terms of Reference.

### **REQUIRED AND DESIRABLE QUALIFICATIONS AND EXPERIENCES**

- 10 or more years of robust and proven experience in business finance, research and business development
- An advanced rural economics, agriculture, business or related degree or qualification
- Extensive local knowledge and experience of Jamaica's business climate
- Extensive local knowledge of Jamaica's agriculture sector
- Excellent self-management capacity
- Ability to work within specific timeframes

### **APPLICATION REQUIREMENTS**

- The applicant is required to provide a CV focusing on the relevant qualifications along with a detailed proposal outlining a budget and timeline for the execution of the feasibility study (maximum 5 A4 pages)
- References and evidence of stated qualifications and experiences will be required

### **SUBMISSION GUIDELINES AND DEADLINE**

Please submit your CV and proposal to Cavell Francis, Oxfam GB Partnership Broker at: [CFrancis@oxfam.org.uk](mailto:CFrancis@oxfam.org.uk)

**APPLICATION SHOULD BE SUBMITTED BY MARCH 20, 2010**
